

## Exhibition

Trifibre can trace its routes back to the exhibition industry. From poly cases for graphics, to flight cases designed to move whole exhibition displays our experience in this industry is unrivalled. Our range of pop up cases manufactured on our rotational moulding machine are the benchmark in their field and are used worldwide. Our presentation cases coupled with CNC routed foam inserts are the ideal way to show off your products on stand. Trifibre has made itself a market leader in supplying exhibition cases to the industry and can provide a wide range of products to help ease the logistics of exhibiting.

## Off the Shelf or Bespoke Design

With our extensive in house facilities, including our joinery department, we are able to provide a complete bespoke exhibition solution to suit your exact specifications and budget. From exhibition stands to bespoke POS display stands, we can provide you with the correct solution for you.

Trifibre is the market leader in supplying exhibition cases to the industry and can provide a wide range of products to help ease the logistics of exhibiting.
