

## Waterproof Cases

Trifibre offer a vast range of injection moulded cases, designed to withstand the most extreme conditions. Our range of cases are waterproof, dust proof, air tight and rop tested, making them ideal for protecting fragile medical, computer, military, photography equipment and much more. Waterproof cases are ideal for shielding sensitive equipment from extreme conditions and temperatures.

## Bespoke Casing Solutions

All our waterproof cases can be further enhanced with a custom foam interior or bespoke foam routed inserts to fit your equipment for added protection. Using our in house silk screen printing facilities we can customise our waterproof cases to match your corporate branding.

## Dealers of Leading Brands

We are also dealers of leading brands of waterproof cases including:

All our waterproof cases can be further enhanced with a custom foam interior and printed logo or branding on the exterior.
